(In collaboration with Ozone forum of India, Mumbai)

ABOUT NIN

National Institute of Naturopathy (NIN) is an autonomous body under Ministry of AYUSH, Government of India. NIN organizes many awareness activities for the welfare of the society. From the year 2018, NIN has started Ozone department as part of its modern Naturopathic therapeutics. It may be noted that Ozone therapy is a non pharmacological intervention, gets well with the concept of natural medicine. The action of Ozone therapy begins at the cellular level and hastens the process of healing in all medical ailments from common cold to non-healing ulcers and cancers.

BACKGROUND

Modern lifestyle invariably brings in a lot of chemicals, toxic, and unavoidable metals through polluted air, contaminated water and food into the human body. Because of the above said morbid matter in the body, the current mechanisms of Natural healing employed may take long time in the process of healing.

Ozone, thus, helps in reducing healing time in bringing down the morbidities. It helps in a great deal both for patients and clinicians in addressing the plethora of NCD's and infectious disease.

OBJECTIVE

The objective of this certificate program in ozone therapy is to enhance the skills of medical physicians to integrate and accentuate their therapeutic approach for the best possible clinical outcomes.

PROGRAM DELIVERY

The Certificate program is delivered in two Modules

Module 1: Basic Certificate in Ozone Therapy. (4 Days)

Module 2: Advanced Certificate in Ozone Therapy. (4 Days)

Program delivery will be through contact classes which will cover theory, demonstration, practical hands-on training, group discussions, etc. Assessments will be done through assignments, case reports, and presentations.

ASSESSMENT PROCEDURE

After due completion of 4 days of contact classes, each student will have to pass theory and practical exam with a minimum percentage of 50% to get the certificate.

CERTIFICATION

After due completion of assessment procedures of the 1st module, the student will be given a basic certificate in ozone therapy and after 2nd Module completion advanced certificate in ozone therapy.
